Accommodation

WGPC REQUESTS YOUR SUPPORT!

We encourage all Exhibitors to book their hotel rooms within the WGPC block of rooms at Caesars Palace. Reserving rooms through our block helps reduce meeting expenses by strengthening WGPC's "buying power" when negotiating contracts with hotels. If WGPC does not meet its contracted room block, attrition penalties are charged to WGPC which in turn will raise registration and exhibit booth fees for future meetings.

For questions or more information on becoming an Exhibitor at the WGPC, please contact Jo on (702) 407 9900 or e-mail jo@worldgameprotection.com
