Conference Lingo

The Solution Room: A powerful general session lasting 90 minutes that not only engages and connects attendees, but also provides peer-supported advice on their most pressing problems.

Gaming Knowledge Test / Casino Challenge Qualifying: A self-assessment in the form of a 3 minute electronic quiz. All participants that pass the test receive a Certificate of Achievement.

Birds of a Feather Breakout Meetings: Groups of people with a common interest or area of expertise informally getting together to network and discuss topics of interest.

Vendor Lightning Talks: Vendors give short & sharp 10 minute product presentations on stage in the Expo meeting room.

Catch of the Day Presentations: The Catch of the Day is a competition that recognizes great work by a casino surveillance team catching a scam.

Presenter Speakeasy Sessions: A chance to meet some of the presenters from the last 3 days and ask questions in a smaller setting.

Casino Challenge Final 8: The Casino Challenge is a knowledge & skills competition testing the big four casino games: blackjack, baccarat, roulette and craps.
